5311 Funding

The Defiance County Transportation Initiative met on July 30th to discuss the possibility of Henry County Transportation Network providing services to Defiance County. A public meeting has been scheduled for August 13th. HCTN is planning a similar meeting with Fulton County stakeholders in early August. These discussions are preliminary and present one option for Defiance and Fulton county stakeholders to obtain 5311 funding. Applications are due mid-August.

Website Status

The website is currently under development. The address is: www.nwomobility.com. Click on the icon below to view the site.

Outreach Material

No outreach material has been created to date.

Coordinated Plan

A provider survey has been developed to gather updated information. Once all missing contact information from identified providers is collected, it will be sent out in early August for completion. After the update has been drafted, a meeting will be scheduled with the planning committee for approval.
