

## Stakeholder Report

*December 2020*

### Mobility Manager

On November 23<sup>rd</sup> Kim Lammers started as the Mobility Manager for the region. The [Mobility Manager](#) position at Maumee Valley Planning Organization is grant funded through the Ohio Department of Transportation and Federal Transit Administration.

Networking with riders, providers, and stakeholders is important to understand unmet needs and available resources. All stakeholders are encouraged to invite Kim Lammers to meetings, committees, or upcoming events.

### Marketing

A new [website](#) is being developed and expected to be launched later in 2021. Stakeholders are encouraged to share the website. What types of resources do riders need from the site? How can the site be best utilized?

Have you liked Northwest Ohio Mobility on Facebook? Like and share the page with friends and colleagues!

### Transportation Providers

A comprehensive list of transportation providers in the region can be found at [NWOMobility.com](#). How can we better serve riders in utilizing transportation? What types of travel training is needed to assist folks who are elderly, disabled or economically disadvantaged?

*Travel Training:* is rider instruction on how to safely obtain and participate in transportation. Each county's coordinated plan identified a need for additional travel training. What types of training would best serve riders?

### Coordinated Plan

ODOT has advised that each county's Coordinated Plan should merge into a regional Coordinated Plan. County planning committee meetings will be scheduled during the 1<sup>st</sup> quarter of 2021 to discuss transitioning Coordinated Plans. Williams County will be invited to participate in the regional Coordinated Plan.

Quarterly meetings as a region will be scheduled for the remainder of the 2021 calendar year after the initial county planning committee meetings have been completed.

### Upcoming Events

Defiance County Planning Committee Meeting  
January 13, 2021 at 1:00pm  
Via video conference

### ODOT Webinar Training Series

A new series of the Transit Academy will commence with the Introduction to Transit Management module. ODOT decided to open all Transit Academy modules to anyone interested in attending the webinar format training modules. All attendees interested in obtaining the ODOT Transit Academy certificate must attend all five Transit Academy training modules throughout the year.
