

Stakeholder Report

February 2021

Surveys

All the county planning committee meetings have been completed. Data collection of Transportation Needs in the region has begun.

Public Survey

A [Transportation Needs Survey](#) was sent out on March 1, 2021 to stakeholders and social service agencies in the area. This survey is designed for individuals who have transportation needs i.e. financial limitations, reliable transportation, loss of license, seniors, individuals with disabilities, etc.

The survey will remain open until May 31, 2021. The data collected will be reviewed at the June 9, 2021 Transportation Coordination Committee Meeting. Please consider sharing the survey link with any listservs you are a part of in the region. If you need printed copies of the survey, please email mobility@mvpo.org.

Thank you to MVPO intern, John Panas, for his assistance in drafting Spanish translations. Thank you to OOD office, Sherry Markley, for her assistance in having the survey proof-read with screen readers. If you discover any barriers to completing the survey, please contact mobility@mvpo.org.

Stakeholder Survey

A Stakeholder Survey was emailed to individuals identified as stakeholders last week. This survey is intended for people who attend the Transportation Coordination Committee Meetings. If you need a link to this survey, please email mobility@mvpo.org

Provider Information Form

If your agency provides transportation, has vehicles, or offers some kind of transportation programming i.e. gas cards, waivers, etc. please complete a Provider Information Form (PIF) and submit it to mobility@mvpo.org by April 1st, 2021.
